

MODULAR CONVEYORS & SYSTEMS

CALL 1-888-WAINBEE (924-6233)

NEW

CONVEYORS

- **Flexible options:** Assembled and component-based systems offer lower prices and shorter delivery times.
- **Comprehensive solutions:** We offer numerous conveyor system options for light, medium and heavy duty applications, as well as modular conveying systems.
- **Intelligent control electronics:** Regulate the belt speed independent of load.
- **Fast and easy belt change:** Belts can be changed in less than eight minutes for the center drive, and only three minutes for the end drive.

COMPLETE MODULAR AUTOMATION SOLUTIONS

We offer a full range of products from conveyors, slides and linear actuators to grippers, rotaries and mounting stanchions to create an almost unlimited array of automation solutions to meet your application needs.

Your lean benefits:

- Patented DIRECTCONNECT technology eliminates the need for adaptor plates to simplify engineering automation designs and improve accuracy and repeatability
- Configurations offer an unlimited number of motions in all axes
- Custom motion systems can be designed quickly and easily

For more information about modular conveyors and systems, please contact **WAINBEE LIMITED**, major Canadian distributor for all DE-STA-CO products.
